

February 20, 2006

The Convention workshop committee is planning several workshops for the delegates on Saturday, September 2, 2006. from 3:30-4:30p.m.

We know it is impossible to attend all these workshops but to allow for the greatest exposure for each BWA group, we plan to issue workshop tickets. Temple coordinators and/or tour leaders will distribute these tickets to their delegates. Please keep these tickets in a safe place (in plastic holder of nametag) because you will need to show your ticket to enter the room.

We hope you will participate wholeheartedly in your session and take back to your temple BWA group what you have learned. If you have questions or concerns, please contact us at hawaiiibwa@hawaiiibwa.org

Below is the information available for the workshops
