

Dear Leaders:

This is some information about the procession ceremony. Please share this with your group leaders.

During the ceremony, the participants can use coin-operated lockers in Annon-den to keep their personal belongings. The 100 yen coin that they deposit will be returned when they open it. Shoes are supposed to be placed in the shoe bag and kept close to the entrance of Amida-do. So please instruct each participant to write their name on shoe bag and be sure to bring it with them when they come to Honzan. Shoe bag will be distributed to the hotels with tote bag, name tag, and participant booklet a couple days before Honzan visiting day.

Service book and translator (ear phone) will be on the chair you will be seating.
